Dear Sir;

Yours of July 19th is mine, I regret very much you all are not satisfied with your own contract;—Now let us enter into some simple-arithmetic.

You are asking for a new contract; 55% of a gross for the two clubs, and 5% for Brothers* Meyers which is 60%. You must remember 20% goes to the Red Wing Stadium; Now that is 80%.--- What about the Umpire, balls, rain guarentee, and Liability Insurance? All of which I had Planned to take care of, plus park help, also radio and newspaper publicity.

Would you expect me to make such an outlay of cash and only get 5% for my Organization?

This affair is going to be a big affair, But, I do not expect you all to get all of the money.

I have already spent Fifty Dollars (50.00) for tickets.

I am enclosing a copy of the contract I have made with the Red Wing Stadium.

I consider the first proposition a ~~very~~ very fair one, with all that I am doing. And, I am putting up the cash money. When I make a deal with a man I expect him to live up to it. After all I am a business man,;— Therefore I am not going to promote this thing just for the publicity.

Game time is 3.P.M. Sunday August 9th at Red Wing Stadium in Rochester, N. Y. General admission is \$.88¢ including tax, Box seats \$1.10 with tax included.

I am enclosing a mat of myself that you might use along with the ball players.

Very Respectfully Yours,

Robert M. Taylor
